

## Room temperature controller Room temperature controller 140F1064

### Allgemeine Informationen

|                |                      |
|----------------|----------------------|
| Products_Model | ET4603371            |
| EAN            | 5703466215135        |
| Producer       | Devi                 |
| Producer-Model | 140F1064             |
| Producer-Typ   | devireg Touch m.Rahm |
| min. Order     |                      |
| Class          | Uhrenthermostat      |

### Technische Informationen

|                                 |          |
|---------------------------------|----------|
| Stromversorgung                 |          |
| Ausführung                      |          |
| Zeitprogramme                   |          |
| Kürzeste Schaltzeit             | 1 min    |
| Fühlerelement                   |          |
| Gangreserveeinheit              |          |
| Gangreserve                     |          |
| Farbe                           |          |
| Nennspannung                    | 240V     |
| Max. Schaltstrom (Ohmsche Last) | 16A      |
| Temperatur                      | 5...35°C |
| Schaltdifferenz                 | 0.2K     |
