

## Solderless copper terminals for copper conductors 7TCI029980R05

### Allgemeine Informationen

|                |                                 |
|----------------|---------------------------------|
| Products_Model | ET0354209                       |
| EAN            | 5414363115120                   |
| Producer       | Thomas&Betts                    |
| Producer-Model | 7TCI029980R0589                 |
| Producer-Typ   | RA-35-F                         |
| min. Order     |                                 |
| Class          | Quetschkabelschuh für Cu-Leiter |

### Technische Informationen

|                              |                          |
|------------------------------|--------------------------|
| Anschlussgewindemaß metrisch |                          |
| Flanschform                  |                          |
| Nach DIN                     |                          |
| Nennquerschnitt              | 0.5...1.5mm <sup>2</sup> |
