

## Solderless copper terminals for copper conductors 7TCI029670R01

### Allgemeine Informationen

|                |                                 |
|----------------|---------------------------------|
| Products_Model | ET0354223                       |
| EAN            | 5414363115441                   |
| Producer       | Thomas&Betts                    |
| Producer-Model | 7TCI029670R0179                 |
| Producer-Typ   | RB-5-F                          |
| min. Order     |                                 |
| Class          | Quetschkabelschuh für Cu-Leiter |

### Technische Informationen

|                              |                          |
|------------------------------|--------------------------|
| Anschlussgewindemaß metrisch |                          |
| Flanschform                  |                          |
| Nach DIN                     |                          |
| Nennquerschnitt              | 1.5...2.5mm <sup>2</sup> |
